Midget 15

- No – 5

5. Do you agree with the Accelerated Player Process? What other comments do you have regarding it?

6. What are your opinions on the following Hockey Playing Rule/Registration Regulation Proposals;

Mandatory use of Helmets on Coaches?

- Yes – 1
- Yes, but how do you monitor and enforce
- No - 2
- I think they are adults and can make their own decisions

Sanctioned Exhibition Games counting towards Suspensions?

- No - 5

Minor Provincial Playoff Modified Best of Three Series?

- No
- No to mini game. Make it Best of Three.
- What happens if game 1 or 2 tied. Needs to be defined.
- This is better than 2 – game total series. All finals should be Best of 3.

No icing during short-handed situations?

- No - 2
- Why not
- Yes. How would it work with no change icing? Would like to have no change icing from Pee Wee AA and up. There is no skill in icing the puck.

Player who is injured and the opposition receives a five-minute major and GM, that injured player not being able to return until the major penalty is served.

- Agree – 1
- No - 3
- No. The refs could be calling the major anyway regardless of injury. If this rule goes into effect, you are penalizing the injured player even though a major was going to be called.

7. Any Other Comments on any Topics?

- HRI is indifferent on the border closing in Atom. If the outside teams can only have 2 tiers, then they will not line up with our programs (A, B, C). Therefore, they would not be allowed in. If they can have 3 Tiers, we would not object to them playing in HRI.
- For the whole Atom proposal, the one thing that our Board is against is supplying 4 skates prior to evaluations. There are numerous options available in Regina for players to skate prior to evaluations if they wish to. We should not be in the "Hockey Scholl" business.
- The 45-game cap will be hard to monitor. In tournaments teams can play 4 games or 6 depending on how well they do. Same goes for playoffs and the end of the season.
